Correction of Typographical Errors and/or Page Margin-Widths

Applicants respectfully request that pages 3-6, 8, 11-12, 20-21, 37-38, 52, 68, 71-72, 81, 86, 92-93, 98, 100-101, 103, 105-108, 110, 111-112, 133, 144-145, and 148 of the International Application be replaced with substitute pages 3-6, 8, 11-12, 20-21, 10 37-38, 52, 68, 71-72, 81, 86, 92-93, 98, 100-101, 103, 105-108, 110, 111-112, 133, 144-145, and 148 attached herewith pursuant to Rule 26.4(a). These substitute pages are being submitted to correct typographical errors and/or margin-width errors in the corresponding pages as originally filed. The corrections are summarized below:

Page 3, line 32, "Ste 18" has been changed to --STE 18--, as is evident from 15 claim one as originally filed.

Page 4, line 18, "of", second occurrence has been deleted;

line 20, "mutatnt" has been changed to --mutant--; and

line 26, "portien" has been changed to --protein.

Page 5, line 36, "G α 2" has been changed to --G α 2--.

20 Page 6, line 17, "G $\beta\gamma$," has been changed to --G $\beta\gamma$ --.

Page 8, line 35, "embodment" has been changed to --embodiment--.

Page 11, line 7, "embodment" has been changed to --embodiment--; and

line 16, "23" has been changed to --21--.

Page 12, line 8, "23" has been changed to --21--.

25 Page 20, line 25, "prtein" has been changed to --protein--; and

line 36, "sequenctial" has been changed to --sequential--.

Page 21, line 13, "is", second occurrence, has been deleted;

line 19, "is" has been deleted;

line 21, "ter minal" has been changed to --terminal--; and

line 23, "with,or" has been changed to --with, or--.

Page 37, line 31, "a.a." has been changed to --amino acids--.

Page 38, line 9, "glutimine" has been changed to --glutamine--.

5 Page 52, line 34, "membrand" has been changed to --membrane--.

Page 68, line 23, "5 to the first the last 50" has been changed to --4 to the last 50--. This correction is evident at least, for example, from the specification at page 68, lines 25 through 34, and from claim 1.

Page 71, line 3, "heterolgoous" has been changed to --heterologous--; and

10 line 29 "are be" has been changed to --are--.

Page 72, lines 9-10, "1-50, 1-40, 1-30, 1-21 or 1-11." has been changed to --5-50, 5-40, 5-30, 5-21 or 5-11.--. This correction is evident at least, for example, from the specification at page 4, lines 3-5, page 11, lines 10-12, and page 12, lines 8-10, and from claims 1, 55, 57, 59, 60 and 61.

15 Page 81, line 8, "N-terminas" has been changed to --N-terminus--.

Page 86, line 23, "carobxy" has been changed to --carboxy--.

Pages 92-93 have been corrected so that the right margin is now 2cm.

Page 98, line 36, "heterolgous" has been changed to --heterologous--.

Page 100, line 7, "digeted" has been changed to --digested--; and

20 line 8, "digetsted" has been changed to --digested--.

Page 101, line 13, "ar" has been changed to --are--.

Page 103, line 7, "trytophan" has been changed to --tryptophan--;

line 18, "additionof" has been changed to --addition of--;

line 22, "fluorimeter" has been changed to --fluorometer--;

25 line 23, "emmission" has been changed to --emission--; and

line 34, "invetsigated" has been changed to --investigated--.

Pages 105-106 have been corrected so that the right margin is now 2cm.

Page 106, line 2, "tailsND:" has been changed to --tails. ND:--;
